

Get cool!

OUTDOOR COOLING SYSTEM

MOBILE-WALL TYPE SERIES

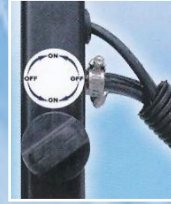

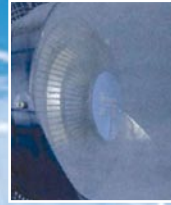

Ideal for Open-air restaurants, Sports ground and swimming pools, Outdoor worksites, Garden parties, Factory and warehouses, Green house, livestock farms or in any outdoor area where you want to be comfortable.

- Low Usage Cost. Since there is No Need for Nozzle, No Need for Oil Change and No Need for Filters, COLORATO Mistig Fans normally have no maintenance cost. Just plug in the power socket and with water supply the units start cooling at the lowest cost.
- Integrated water tank.
- Automatic water supply (for wall type series).
- Adjustable misting volume.
- Low noise operation.
